THE TRUSTMARK FOR LOCAL FOOD & DRINK

EXPERIENCE OF THE ISLAND OF IRELAND

It's hard to believe this is our 17th year directing customers to our approved collection of premium artisan food and drink producers, restaurants and hotels that all share our philosophy for the highest standards, using Irish ingredients. We are passionate about developing Ireland's food culture and culinary reputation.

Now we are delighted to introduce our New Online Shop full of exclusive authentic experiences you can trust. Our Gift Boxes and Hampers only include Irish food and drink from the best producers and Chefs around the island of Ireland. To complement, we have partnered with Irish craft designers to bring you an exclusive range to suit all budgets.

Gifting a Good Food Ireland® Experience can really make a difference. This is not just food made in Ireland, this is food made of Ireland and contributes

to sustainable food and tourism, benefitting the local community and the future livelihoods of local people.

We very much appreciate your support and look forward to hearing from you.

Every good wish.
